

How to Access HomeBanking and Mobile Banking

New Users - On your first log in, you will need a PIN and your account number.

1. PINs are issued when you open your account. If you have not received one or need a new one, please call Member Services 310-618-9111. Verify your email address and Cell phone number with a Member Service Representative.
2. Enter your Account Number in the (Username/ Account#)., and your PIN in the (Password/ PIN) field.
3. Click Login.
4. You will be guided through creating a Username (User ID) and Password.
5. Next, you will have the option of selecting your device as permanent or temporary. An access code will be sent to your cell number, or email on file. Enter the code and you will continue on to your account.
(use "Temporary if you are at a public computer, or do not wish the HomeBanking to remember your device.")
7. Use your Username (User ID) and Password for future logins.
8. **For *Mobile Banking Set up:** Please log in to HomeBanking, click the Mobile Banking Set-Up icon and create a Secret Code. You will then use your Username, Password, and Secret Code to log in to Mobile Banking.

*Mobile devices access: iPhone or Droid OS phones can download our mobile banking App from the Apple App Store or Google Play. Search for "TCCU Mobile Banking" in the App Store or Google Play.

For Remote Deposit, add the DeposZip App to your device.

Also by telephone 24/7 by calling our TeleTeller line at 310.782.3937 or toll free at 866.782.3937. You will only need your account number and PIN.
