

Select-Your-Skips

The NEW Skip-A-Pay

Traditionally, we offered Skip-A-Pay in August and January. Now, you can choose which two months to skip and when you want to skip them! For example, you may choose to skip July and November. Skip two months in a row, or you can pick one month now, and another month later. It's your choice!

Mastercard Skip-A-Pay is only available during August and January. Please check your statement for eligibility.

I understand that skipping my loan payment(s) will extend the maturity of my loan(s) by an equal number of months. Select-Your-Skip will not affect my payment record since the skipped payment will be added to the loan. Interest will continue to be calculated on the outstanding balance. Note: Select-Your-Skip will affect payouts for GAP claims made for totaled or stolen vehicles.

Real estate loans, loan workouts, and modified loans are not eligible for Select-Your-Skip payment. Loan term must be less than 60 months or less at signing. 72- and 84-month loans are ineligible.

Member must have made at least three (3) consecutive months of payments. Loan must not have been 30 days late in the last six months (not including Emergency Skip-A-Pay). Must not have lender-placed insurance.
